BIB610 Greek Exegesis: Galatians							
Professor Name	Course Number	Book Title	Author/Editor	Publisher	ISBN 13	Publication Date	Req or Rec
One critical commentary is required. There is some value in having a standard commentary for everyone in the class to use, as well as value in having different students reading different ones to bring those voices into our class discussion. If you want to purchase the "standard" critical commentary we will be using in class, get the following text:							
Loren Johns	BIB610	<i>Galatians</i> The Anchor Yale Bible, no. 33A	Martyn Louis J.	Yale Universtiy	978-0300139853	1974	Option 1
Six other critical commentaries you may choose as an alternative to Martyn's:							
Loren Johns	BIB610	<i>Galatians</i> Word Biblical Commentary, no. 41. An excellent commentary from a conservative perspective—the most widely appreciated commentary in Evangelical circles.	Longenecker, Richard N.	Word Books	978-0849902406	1990	Option 2
Loren Johns	BIB610	<i>Galatians</i> Zondervan Exegetical Commentary on the NT. A very good new commentary with regular discussions of Greek syntax and terms. Regularly critiques the New Perspective on Paul in a thoughtful way. Cares about theological/pastoral implications.	Schreiner, Thomas R.	Zondervan	978-0310243724	2010	Option 3
Loren Johns	BIB610	<i>Galatians</i> Hermeneia Commentaries. Excellent for under-stand-ing Galatians within the first-century world. Takes on fanciful and unsupported exegesis of the past that are based on theological commitments.	Betz, Hans Dieter	Fortress	978-0800660093	1979	Option 4
Loren Johns	BIB610	<i>Grace in Galatia</i> . A socio-rhetorical ap-proach. I think Witherington is hampered at points by his conserv-ative theology. He argues for a very early dating of Galatians.	Witherington, Ben III	Eerdmans	978-0802844330	1998	Option 5
Loren Johns	BIB610	<i>The Epistle to the Galatians</i> New International Greek Testament Commentary. Ignorant of his own noninclusive language. Excellent on the Greek. Solidly Evangelical, widely considered "safe," even though Paul is not.	Bruce, F.F.	Eerdmans	978-0802823878	1982	Option 6
Loren Johns	BIB610	<i>A Critical and Exegetical Commentary on the Epistle to the Galatians</i> . Dated, but few are better on the intricacies of the Greek.	de Witt Burton, Ernest	T&T Clark	978-1443729796	1920 (re-print 2008)	Option 7

In addition to one of the above critical commentaries, I highly recommend the purchase of Martin Luther's commentary on Galatians as a supplement. Luther's commentary on Galatians is a classic—one that every seminary student should read. Luther makes up for whatever may be lacking in your critical commentary (if anything) in terms of a white-hot theological passion for the importance of Paul's arguments for the life of the Christian and of the church as a whole.							
Loren Johns	BIB610	Commentary on the Epistle to the Galatians Martin Luther	Martin Luther, trans. Graebner	Book Jungle	978-1605979403		Rec
Loren Johns	BIB610	<i>The Galatians Debate</i> . This book emphasizes rhetorical criticism, genre criticism, and the historical situation of the Galatian churches. Summaries of each of the essays are available in the introduction.	Nanos, Mark	Hendrickson (Baker)	9780801047275	2002	Rec
<b>BIB654 Biblical Perspectives on Atonement</b>
